BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON, D.C. 20370-5100

Docket No: 5432-00
28 November 2000

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 28 November 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by BUPERS memorandum 1160 PERS 815 of 18 October 2000, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR CHAIRMAN, BOARD FOR CORRECTION OF NAVAL RECORDS

Via: PERS-00ZCB

Subj: BCNR PETITION ICO [REDACTED]

Ref: (a) SNM's DD Form 149 dtd 2 Aug 00
(b) NAVADMIN 050/00
(c) MILPERSMAN 1160-040

Encl: (1) BCNR File

1. In response to reference (a), recommend disapproval of the petitioner's request.

a. The petitioner received SCORE conversion approval to the CTO rate on 21 March 2000. The petitioner reenlisted on 31 March 2000 for two years to accept BUPERS orders 2020 to attend CTO "A" school. Reference (b) offered a zone "A" SRB entitlement for the CTO rate at the time the petitioner reenlisted.

b. The petitioner reenlisted on 2 August 2000 after completion of the CIO "A" school and received a zone "A" SRB entitlement. However, the petitioner only received 52 months of the SRB entitlement due to his two year reenlistment of 31 March 2000.

c. The petitioner requests to cancel the two year reenlistment of 31 March 2000 and replace it with an extension through the completion date of CTO "A" school training. This would allow the petitioner to receive the zone "A" SRB without monetary loss of entitlement.

d. The petitioner was placed on limited duty prior to her reenlistment. The petitioner's original EAOS of 2 April 1999 expired when the petitioner was placed on full duty status.

e. The petitioner requests to backdate the six year reenlistment of 14 February 1996 to 10 November 1995 and receive the zone "A" SRB entitlement offered in reference (b).

f. Per reference (c), when a member is currently on limited duty or is found not physically qualified for duty at the expiration of enlistment, an extension agreement cannot be executed.

2. In view of the above, recommend that the petitioner's record remain as is.
